Subheading A

[illegible]

Figure 1: You might want to include some pictures. They should be .png files

more words!

[illegible]

Subheading B

some words having to do with the above title

Words, words, words, words, words, words, words, words,
words, words, words, words, words, words, words, words,
words, words, words, words, words, words, words, words,
words, words, words, words, words, words, words, words,
words.

Subheading C

- 1 Step 1
- 2 Step 2
- 3 Step 3 (The important one!)

Column2

Figure 2: This is a huge picture. You might rather use this space for words and 2 columns. I used it for a giant picture

Another Subheading!

Originally there were 5 pictures here, but since we've already used the subfigure command, I'll just say you could put words here, with one or two columns.

Very Exciting Column 3

[illegible]

Subheading

words!

[illegible]

Figure 4: some pictures!

And now some words about this picture. Picture words, picture words, words, picture words, words, picture words, words, picture words, words.

almost the last subheading

more words

[illegible]

Subheading!

subheading and then words are really cool.
